Carol Powelson~

The Chamber is a great way to represent yourself and your business beyond your day to day job.

Chris Gaines ~

Our benefit is to know who does what in the area as well as having an opportunity to tell our story.

Nancy Hance ~

One of the biggest benefits of the Chamber is meeting people who live, own businesses, & work in the Community that you would most likely have never met had it not been for the Chamber. Word of mouth is the best advertising & it is free!

Mark Van Dillen~

"As a smaller chamber it allows the members to get to know each other better and build relationships. Ultimately, it will increase referrals to members individual businesses. You do not get lost in the crowd"
